

ttak_simple_node

The diagram shows a box labeled 'ttak_simple_node' at the top. To its right, a solid purple arrow points left into the box, and a dashed purple arrow points right away from the box, with the label 'next' to the right. Below the box, a dashed purple arrow points up into the bottom of the box, with the label 'top' to the right. At the bottom, there is a gray box labeled 'ttak_simple_stack_t'.
